"WE ARE LIVING OUR DREAM"

Like many, the Kenworthys got involved in breeding Egyptian Arabian horses for the tax advantages and investment potential. What they didn't realize was how significantly it would change their financial and personal lives. Stop by our farm and stay in our B&B for a time in Paradise you'll never forget. Tour our state-of-the-art 450-acre facility, and feed some carrots to more than 100 of the finest Straight Egyptian Arabian horses from the rarest and most sought-after bloodlines. Join us in Paradise!

JUST A FEW ADVANTAGES TO OWNING EGYPTIAN ARABIAN HORSES

- Tax benefits of \$250,000 per year
- Horses are fully insurable
- High income potential
- A place to keep your horse if you don't own a farm
- A network to help you market and grow your business
- Unlimited travel and growth opportunities
- An investment that you can hug
- A lifestyle that will change you and your family
