*When you see him, you know he's different.*

HE STANDS ABOVE OTHER EGYPTIAN ARABIAN STALLIONS, both in stature and presence. No picture has adequately captured the exquisite shape of his head; no video conveys his powerful extended trot or his effortless run. The young straight Egyptian stallion Scapa has been a future star since the moment he was born, and he has drawn visitors from around the world to PARADISE ARABIANS in Dalton, GA

The first American-born son of Platinum-certified German import Mishaal HP (Ansata Sinan x Mesoudah M), Scapa's pedigree also includes champion American blood through his dam, Erie Anna (Thee Infidel x Imbadia EV by Imperial Imdal).

He's a stallion with matchless accolades. Unanimous Champion, for example. But what's most impressive about The Singleton is the foals he's producing.

6th on the Egyptian Event USA Leading Sire List with only 2 foal crops old enough to show!

Breed to the best to produce the best.

2002 BAY STRAIGHT EGYPTIAN ARABIAN STALLION

*Unanimous Champion. Star-producing Sire.*

WITH A PEDIGREE OF TRUE EGYPTIAN ARABIAN ROYALTY, The Singleton enters a ring with commanding presence. He commands the attention due to the son of two international legends, and that attention is deserved, for The Singleton is both an outstanding individual and a singularly superb sire.

A UNANIMOUS CHAMPION at the 2004 Egyptian Event and a RESERVE CHAMPION at the 2003 Event, The Singleton earned extremely high scores in the competitive Futurity Finals. He has always drawn attention for being an example of the classically beautiful Arabian horse, with all of the features so treasured by knowledgeable Arabian breeders.

The Singleton's foals are consistently beautiful and draw you in with their sire's short, dished face, huge, expressive eyes, and small, shapely ears, especially notably when their dam lacks these features. He also passes along his excellent legs, smooth body, and trainable attitude for a package that is perfect for entering the show ring!

Paradise Arabians' homebred, senior stallion is a shining example of the consistent outstanding quality found on the farm.

Recent international accomplishments include the crowning of 2009 Egyptian Event Sharjah Reserve Supreme Champion Mare and Champion Yearling Filly Jameelah Al Hawajer (Alixir x Thee Midnight Angel) for owner Dr. Ghanem Al Hajri. At Paradise, visitors can find the best production of multiple straight Egyptian Arabian breeders in one convenient location!
